

Archetype name from provided repository	Provided repository Major version and revision	openEHR-CKM Github mirror major version and revision	Status	Comments
openEHR-EHR-OBSERVATION.blood_pressure	v1 (1.1.0)	v1 (1.1.2)	outdated	-----
openEHR-EHR-OBSERVATION.body_temperature	v1 (no revision)	v2 (2.0.2)	outdated	-----
openEHR-EHR-OBSERVATION.body_weight	v1 (no revision)	v2 (2.0.1)	outdated	-----
openEHR-EHR-OBSERVATION.height	v1 (no revision)	v2 (2.0.1)	outdated	-----
openEHR-EHR-OBSERVATION.indirect_oximetry	v1 (no revision)	New archetype: openEHR-EHR-OBSERVATION.pulse_oximetry.v1 (1.0.1)	not found	Substituted by pulse oximetry in openEHR CKM
openEHR-EHR-OBSERVATION.pulse	v1 (1.0.0)	v1 (1.0.0)	outdated	minor changes from one archetype to another, major version and revision still the same, but MD5 Hash is different
openEHR-EHR-OBSERVATION.pathology_test-blood_glucose	v1 (no revision)	it is a specialization from openEHR-EHR-OBSERVATION.pathology_test.v1, which cannot be found on openEHR CKM	not found	Specialization of an archetype that no longer more exists on openEHR CKM
openEHR-EHR-OBSERVATION.six_minute_walk_test.v0	v0 - internal archetype, made by request, not submitted to openEHR CKM	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-OBSERVATION.ecg	v0 (0.0.1-alpha)	v0 (0.0.1-alpha)	compliant	minor changes from one archetype to another, major version, revision and MD5 Hash still the same
openEHR-EHR-OBSERVATION.ecg_report	v0 (no revision)	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-INSTRUCTION.request-telemonitoring	v0 (0.0.1-alpha)	it is a specialization from openEHR-EHR-INSTRUCTION.request.v0, which cannot be found on openEHR CKM, since it has been updated to openEHR-EHR-INSTRUCTION.request.v1	Internal	Specialization of an archetype that no longer more exists on openEHR CKM
openEHR-EHR-INSTRUCTION.request	v0 (0.0.1-alpha)	openEHR-EHR-INSTRUCTION.request-procedure.v0 specialize openEHR-EHR-INSTRUCTION.request.v0, which does not exist anymore on openEHR CKM	Internal	Specialization of an archetype that no longer more exists on openEHR CKM
openEHR-EHR-COMPOSITION.request	v1 (1.1.0)	v1 (1.1.0)	compliant	minor changes from one archetype to another, major version, revision and MD5 Hash still the same
openEHR-EHR-COMPOSITION.report	v1 (1.1.0)	v1 (1.1.0)	outdated	minor changes from one archetype to another, major version and revision still the same, but MD5 Hash is different - the changes are more related to new languages supported

openEHR-EHR-COMPOSITION.encounter	v1 (1.0.0)	v1 (1.0.1)	outdated	-----
openEHR-EHR-COMPOSITION.appointment	v0 - internal archetype, made by request, not submitted to openEHR CKM	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.timing_repetition	v0 (0.0.1-alpha)	New archetype: openEHR-EHR-CLUSTER.timing_nondaily.v1	not found	-----
openEHR-EHR-CLUSTER.timing_daily	v0 (0.0.1-alpha)	v1 (1.0.0)	outdated	-----
openEHR-EHR-CLUSTER.multimedia	v1 (no revision)	v0 (0.0.1-alpha)	outdated	In the archetype of the provided repository, the version was incorrectly inserted. Probably some human-error dealing with versioning. The v0 on openEHR CKM is correct and has even more information
openEHR-EHR-CLUSTER.healthcare_provider_parent	v1 (no revision)	v1 (no revision) - check comments	compliant	CRITICAL - Although it appears on openEHR CKM, it seems that wasn't submitted to the CKM github mirror
openEHR-EHR-CLUSTER.encounter_context	v0 (no revision)	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.device_hand_over_checklist	v0 (no revision)	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.device_details	v1 (no revision)	v1 (no revision)	compliant	missing archetype uid on the github mirror openEHR
openEHR-EHR-CLUSTER.device	v1 (no revision)	v1 (1.0.1)	outdated	-----
openEHR-EHR-CLUSTER.clinical_evidence	v1 (1.0.0)	v1 (1.1.0)	outdated	-----
openEHR-EHR-CLUSTER.complications	v0 (no revision)	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.intermacs_profiles	v0 (no revision)	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.intermacs_profiles-slo	v0 (no revision)	it is a specialization from openEHR-EHR-CLUSTER.intermacs_profiles.v0, which cannot be found on openEHR CKM, since it is another internal archetype from ACHF project.	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.malignancy_details	v0 (no revision)	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.nyha_heart_failure-slo	v1 (1.0.0-alpha)	it is a specialization from openEHR-EHR-CLUSTER.nyha_heart_failure.v1 from the same repository (internal archetype), but it is based on github openEHR CKM openEHR-EHR-OBSERVATION.nyha_heart_failure.v0	Internal	This archetype only exists in the provided repository
openEHR-EHR-CLUSTER.nyha_heart_failure	v1 (1.0.0-alpha)	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided

				repository ACHF project in marand
openEHR-EHR-CLUSTER.address_isa	v1 (no revision)	v1 (no revision)	compliant	CRITICAL - Although it appears on openEHR CKM, it seems that wasn't submitted to the CKM github mirror. Also missing archetype uid.
openEHR-EHR- ADMIN_ENTRY.patient_process_status	v0 (no revision) - internal archetype, made by request, not submitted to openEHR CKM	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR- ADMIN_ENTRY.remote_monitoring_preferences	v0 - internal archetype, made by request, not submitted to openEHR CKM	do not exist on github mirror openEHR CKM	Internal	This archetype only exists in the provided repository
openEHR-EHR-ACTION.service	v0 (0.0.1-alpha)	v0 (0.0.1-alpha)	compliant	The numbers of versions are the same, but UID and MD5 are not. The content of both versions are also similar. Probably there were changes submitted to openEHR CKM from different files (derivated frim remote archetypes).
openEHR-EHR-ACTION.informed_consent	v1 (no revision)	v1 (no revision)	compliant	-----
openEHR-EHR-EVALUATION.absence	v1 (1.0.0)	v1 (1.0.0)	compliant	-----
openEHR-EHR-EVALUATION.exclusion- problem_diagnosis	v0 (0.0.1-alpha)	it is a specialization from openEHR-EHR- EVALUATION.exclusion.v1 from the same repository (internal archetype), which does not exist in the ACHF repository. But it is based on github openEHR CKM openEHR-EHR- EVALUATION.exclusion_global. v1 (1.1.1)	Internal	This archetype only exists in the provided repository
openEHR-EHR-EVALUATION.problem_diagnosis	v1 (1.0.2)	v1 (1.0.5)	outdated	-----
openEHR-EHR-OBSERVATION.container	v0 (0.0.1-alpha)	v0 (0.0.1-alpha)	compliant	-----
openEHR-EHR-SECTION.adhoc	v1 (1.0.0)	v1 (1.0.1)	compliant	minor changes - portuguese language added

Date of comparison: 16 June 2018
